CONOCOPhillips AND INFINEUM RAISE FUNDS TO SUPPORT JUNIOR ACHIEVEMENT

LINDEN, NJ (August 19, 2010) – Employees from ConocoPhillips Bayway Refinery and Infineum USA L.P. teamed up at Jersey Lanes in Linden, NJ to raise funds in support of the Junior Achievement of New Jersey (JANJ) programs.

Catherine Milone, president of JANJ, expressed her gratitude to the volunteers by noting, “ConocoPhillips and Infineum USA L.P. are truly terrific corporate community partners to JANJ. We are so appreciative of everyone’s time and energy spent on JA both in fundraising and in the classroom.”

JANJ volunteers, Mary Phillips, Lisa Barra, and Lissette Gonzalez coordinated this year’s “*Party With a Purpose.*” They rallied six teams to bring in a grand total of more than **\$4,000** to help fund JA’s economic educational and financial literacy-based programs for local youth. Across the Garden State, more than 35,000 students participated in JA programs during this past school year, through the efforts of JANJ’s volunteer network, which includes ConocoPhillips and Infineum classroom volunteers.

According to Milone of JANJ, ConocoPhillips and Infineum employees still came through in their fundraising efforts, despite a challenging economic climate in recent years. She also offered congratulations from JANJ to the members of all the teams for their tremendous efforts on behalf of New Jersey students.

JANJ encourages people interested in participating in next year’s Bowl-A-Thon, or becoming a classroom volunteer role model, to please contact Michael Troutman at 609-419-0404 x101.
