

## 2017-18 JA Career Success® Workshop Series

**Be a part of NJ's premier forum for career readiness!**

Help us prepare NJ high school students for success in college and/or career by serving as a JA Career Success Workshop volunteer. We are looking for people from all career stages and backgrounds to join us for this 4 1/2 hour session and serve as a "table coach" to a small group of students. You'll share your story and career advice as you guide them through a series of engaging and interactive activities that focus on workplace communication and collaboration, problem-solving, job interview skills, and career exploration. No advance training is needed. We provide all the necessary materials and are with you every step of the way!

***This program is aligned to NJ Student Learning Standards for 21st Century Life and Careers and is offered to NJ schools and students at no cost.***

***Volunteer lunch is included. Program time is 9:00 am to 1:30 pm.***
