

Calling all Female Professionals. Inspire and Prepare NJ's Future Leaders!

Girls' STEM/Business Career Success Workshop

Friday, March 31, 2017

9:00 am—1:00 pm

Stevens Institute of Technology, 1 Castle Point Terrace, Hoboken

Women remain underrepresented in today's science and engineering workforce, and less than 6% of Fortune 1000 Companies are led by women. Please join us and make a difference!

Sign up to volunteer [here!](#)

- Volunteer mentors will share their experiences, stories, and career advice with 150 NJ high school girls interested in STEM and business careers.
- The day includes an executive panel discussion, networking lunch, and small group interactive activities that prepare students for success in college and the workplace.
