

empowering young people to
own their economic success

School Application 2017-2018

Junior Achievement is New Jersey's no-cost solution to Standard 9 for 21st Century Life and Careers and the Career Ready Practices. Register your school for JA today!

- Our comprehensive curriculum, developed in partnership with educators, reinforces and supplements national common core requirements from kindergarten through high school. By inviting JA into your classroom, you gain access to programs that reinforce your class curricula, while empowering students to believe in themselves.
- Our interactive curriculum engages and excites students, leading to stronger critical thinking and decision-making skills, and promotes collaboration and creativity via standards-based experiential learning.
- Educators consistently tell us that the JA programs are easy to integrate and have significant impact. Our programs are delivered at no cost to participating schools and students.

Please list each teacher's full name, email and class information. You may use a second sheet for additional classes.

Please sign cancellation policy below and have each teacher review the roles and responsibility form on page 3.

Educators are the key to success for JA!

We kindly ask that you assist your volunteer in the following ways:

Prior to your JA event:

- Please collect the JANJ photo release form from your students (sent to your school coordinator).

For JA in a Day:

- **Trained volunteers will be in your classroom from approximately 9am to 1:30pm with a break for lunch.**
- Welcome and introduce your volunteer(s) to your class. Help facilitate discussions as needed, provide feedback to the volunteer, and serve as a bridge between students and volunteers.
- Remind your students that there will be no specials (gym, music, etc.) the day of the visit.
- Go over classroom rules and procedures with your volunteers and students.

- Help the volunteers ensure all students are engaged in the activities.
- Assist your volunteers in clarifying difficult concepts and ideas.
- Attend to any disciplinary issues that arise.
- Complete the educator survey (given to you by JA staff).
- Please thank your volunteer for his or her commitment to your students; appreciation goes a long way!

- **Have students create individual "Thank You" letters for the volunteers to be presented the day of the event, or ask the students to sign the JA Banner for the volunteer to keep.**

For Traditional Programs:

- **Trained volunteers will be in your classroom for approximately 45 minutes per session (5-7 sessions).**
- Coordinate each visit with your volunteer.
- Welcome and introduce your volunteer to your class.
- Help facilitate discussions as needed, provide feedback to the volunteer, and serve as a bridge between students and volunteers.
- Help the volunteers ensure all students are engaged in the activities.
- Assist your volunteers in clarifying difficult concepts and ideas.
- Attend to any disciplinary issues that arise.
- Please sign and return the completion form and educator survey to JA.
- **Please contact JA Staff if you have any scheduling issues or questions.**

Teachers must remain in the classroom with the volunteer during all JA programs

Junior Achievement's experiential learning curriculum is aligned to state and national standards and the Career Ready Practices. JA Staff will provide a brief, in-school orientation at your school coordinator's request.

For additional program information or to view program correlations to CCSS and NJCCCS, please visit our website at www.janj.org.

I understand my roles and responsibilities while participating in Junior Achievement's program.
